ST GROUP

ABOUT US

ST GROUP was founded in 1975 in Ras Al Khaimah by the Late His Highness Sheikh Sultan Bin Saqr Al Qasimi. Driven by a defined vision and unrelenting willpower, the group, under the leadership of His Highness Sheikh Engineer Salem Bin Sultan Al Qasimi, has dedicated itself to setting an example for businesses in diverse sectors across the United Arab Emirates. Over the past 48 years, ST GROUP has expanded into core industries, such as information technology and communications, real estate and manufacturing, construction and facilities management, trading and education, entertainment and hospitality, and many other sectors. Today, ST GROUP stands committed to fulfilling its role as a national entity that serves society in line with the UAE's Vision. It is dedicated to working rigorously to advance the position of the UAE as a beacon of prosperity and success, as well as to meeting the country's aspirations to build a vibrant society and a prosperous economy that advances the country's status as a global leader.

SERVING THE UAE SINCE 1975

The UAE is a sought-after choice for investors and leisure travelers alike. Ideally positioned to service and access the markets of the Middle East, Africa, the Indian Subcontinent and the CIS countries, the UAE is one of the strongest economic powers in the Middle East. It is with that reputation that ST GROUP has been committed, since 1975, to directing all of its efforts toward advancing the UAE's position as a global economic capital.

H.H. Sheikh Engr. Salem bin Sultan AlQasimi -Chairman

We started from humble beginnings in trading more than four decades ago, and today, we are ranked among the leading group companies in the United Arab Emirates. With great determination and unrelenting willpower, we have expanded into core industries such as information technology and communications, real estate and manufacturing, construction and facilities management, trading and education, entertainment and hospitality, and many other sectors. The group started with only a few people and a few clients, but it now proudly employs over 1000 people and has over 10,000 satisfied customers across different sectors. As a quality-conscious group that strives to bring forth the best product and service, we set our sights on having a unique professional touch. I believe that all our employees are highly motivated to deliver products and services that are on par with the group's mission and vision. In the next few years, we will be concentrating on the growth and expansion of the group. We have both short-term and long-term goals as part of a detailed ten-year plan, the core of which is to grow in a sustainable and exponential way.
